

USE THE EASYPARK APP AND PARK start parking

easypark

Easy and coin-free!

Extend your parking remotely!

The most popular app in Europe!

The EasyPark terms of use are available at www.easypark.si/sl. The cost of using the app (fee) shall be paid by the user.

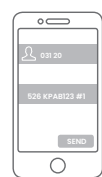

easypark

Easy payment of parking fees with the EasyPark app

Download the EasyPark app, available at www.easypark.si/sl, park and pay by phone.

Payment by SMS

Send the **AREA CODE** [space] the entire **LICENSE PLATE NUMBER** [space] **#TIME OF PARKING** to +386 31 209 020.

Example for 1-hour parking:

526 KPAB123 #1

and the time of parking
License plate number without spaces
Relevant area code

The parking is valid once you receive SMS confirmation.

About 10 minutes before the parking ticket expires you will receive a parking expiry notice with an option to extend the ticket. You can pay the parking fee by re-sending the SMS or you can use the EasyPark app to extend the parking remotely.

The EasyPark app works in car parks across more than 3,500 cities throughout Europe. The EasyPark app works along the entire Slovenian coastline.

Payments by SMS or EasyPark app allow parking lot attendants to easily check their mobile devices and verify whether the parking fee has been paid and for how long. This means there is no need to worry about being fined for not having a parking ticket.
